Earth Day, April 2020

Market Manager Message

Hello,

As you may have read from the last newsletter you received, my name is Casey and I am your new Market Manager. I am happy to serve this community of farmers, producers, consumers and local food visionaries. I take pride in being a part of the local food movement in our region.

You may have seen me as a vendor last year, my partner and I operate Restless Roots Farm. Last season we took the big leap to farm full time and we had stars in our eyes imagining all of the farmers markets we were going to attend. It turns out the markets in our area are pretty saturated with vegetable producers and sometimes rolling the dice and accepting a new businesses ran by new(ish) farmers isn't worth the potential headaches.

That is where Pine Grove Mills differs! We have been gladly accepting new and beginning farmers since the beginning. It is part our mission to give folks just starting out a leg up. Our community of eaters support small farms and businesses that create a robust and healthy local economy.

As a market we are committed to steering our community of producers and consumers safely through these turbulent and often uncertain times. Our market will open as planned June 11th from 3-7pm. Please stay tuned for market updates and contact less ways you can purchase the fresh food you crave.

Stay Well,
Casey

We welcome back to the market: Classic Cones, Grove American Beef, Oliver's Path, Restless Roots Farm, Standing Stone Coffee, Soggy Fleece Farms, Twin B Farms, Wild Blumen Farm and Schoolhouse Flowers.

We are excited to announce new vendors: The ACRES Project, Bee Knees Coffee and Nittany Mushroom Farm.

We are currently reviewing additional vendor applications.

Vendors interested in applying should see our [Vendor WEB page.](#)
