

## **PINE GROVE MILLS FARMERS MARKET**

The Saint Paul Lutheran Church will once again host the Pine Grove Mills Farmers Market this summer! The market will be held on THURSDAYS from 3PM to 7PM starting JUNE 11 through SEPTEMBER 24, 2020.

The Pine Grove Mills Farmers Market is a community based, volunteer led effort. It offers small farms and producers an opportunity to enter the marketplace, stimulating economic activity in our region. Just as importantly, the market provides community members with easy access to fresh, local food and serves as a meeting and gathering place for local residents!

The 2020 season has been quite a ride so far! Our team of volunteers and community members have been working overtime to make sure our market is a successful and safe space for farmers and our community. Your donations are more important than ever! We anticipate growth in our customer base as we have seen increased demand for local food across the country. This year we will need to implement new strategies and components to our market to meet the standards of social distancing and meet customer and vendor demand.

We rely on the generous donations of our partners to support this endeavor! With these new components comes added expenses, but also increased market traffic. Your sponsorship dollars will help us, while increasing your business's visibility. With this in mind, we would like you to consider a **community sponsorship donation**.
